

Dear Friend of WDC,

Who We Are

The Wisconsin Defense Counsel (WDC) is a statewide organization of over 375 attorneys dedicated to the defense of Wisconsin citizens and businesses, the maintenance of an equitable civil justice system, and the education of its members. Founded in 1962, WDC's member attorneys' practice areas include general liability, workers' compensation, medical malpractice defense, insurance law, product liability, commercial litigation, labor and employment, construction, and local government law.

WDC is **the resource** for education, networking, and information sharing for civil defense trial attorneys in Wisconsin. WDC provides a voice for defense counsel through our *Journal*, providing information to the judiciary, public positions protecting the interests of business and participation in a variety of events connected with the bench, the bar, and the business community.

WDC is offering Conference Sponsorships! Extend your visibility to WDC members by sponsoring a break, lanyard, breakfast, lunch, or reception at one of the WDC conferences. A separate flyer is included in this mailing describing all our opportunities.

Why Partner with WDC?

In today's fast paced and busy work environments, making personal connections with potential customers is hard. Partnering with WDC provides you access and valuable networking with top litigators from across Wisconsin in a less formal, yet professional environment.

Confirm your sponsorship by January 31, 2023 and have your company name and logo placed on the first event promotional brochure of the year, for the WDC Spring Conference at The American Club.
